On The Boardwalk Since 1958 • Welcome to Pizza King

The Pizza King has been on the world-famous Daytona Beach Boardwalk since 1958. The Boardwalk was built in 1938 and stretches a couple hundred yards along the Atlantic Ocean. Access to the beach is available at numerous points along the Boardwalk, and you can treat yourself to our incredible pizza at Pizza King, or stop at the arcades and play a few games.

You can even enjoy concerts at the historic Daytona Beach Bandshell, which is just a short walk from Pizza King. Located on the south end of the Boardwalk next to the steps that take you to the Main Street Pier.
